

*October 2023*

Dear Parent/Guardian

### **Nursery Settle and Stay**

Now the children have had a term to settle into nursery, we would like to invite our nursery families to a settle and stay session with their children. This will consist of a snippet of the children's day in nursery. You will have the chance to find out about their day, they will be able to show you where they play and learn and what they enjoy.

Please note - **one** parent/guardian for each child.

The children are welcome to leave with you or stay and be collected at the usual time.

### **Thursday 16th November**

AM session - 8:45am - 9:45am

PM session - 1:00pm - 2:00pm

Thank you for all of your support this term and we are very proud of how well the children have settled in nursery. Hope you all have a lovely half term.

Kind regards,

Miss Coleman and Mrs Davies
