### Wet and wild adventures at Croft Farm

Nestled in the heart of the Cotswolds, near the historic town of Tewkesbury, is Croft Farm waterpark. Boasting its own 12-acre lake and access to the River Avon within walking distance, this specialist centre is the ideal choice for schools seeking a school trip full of water-based challenges.

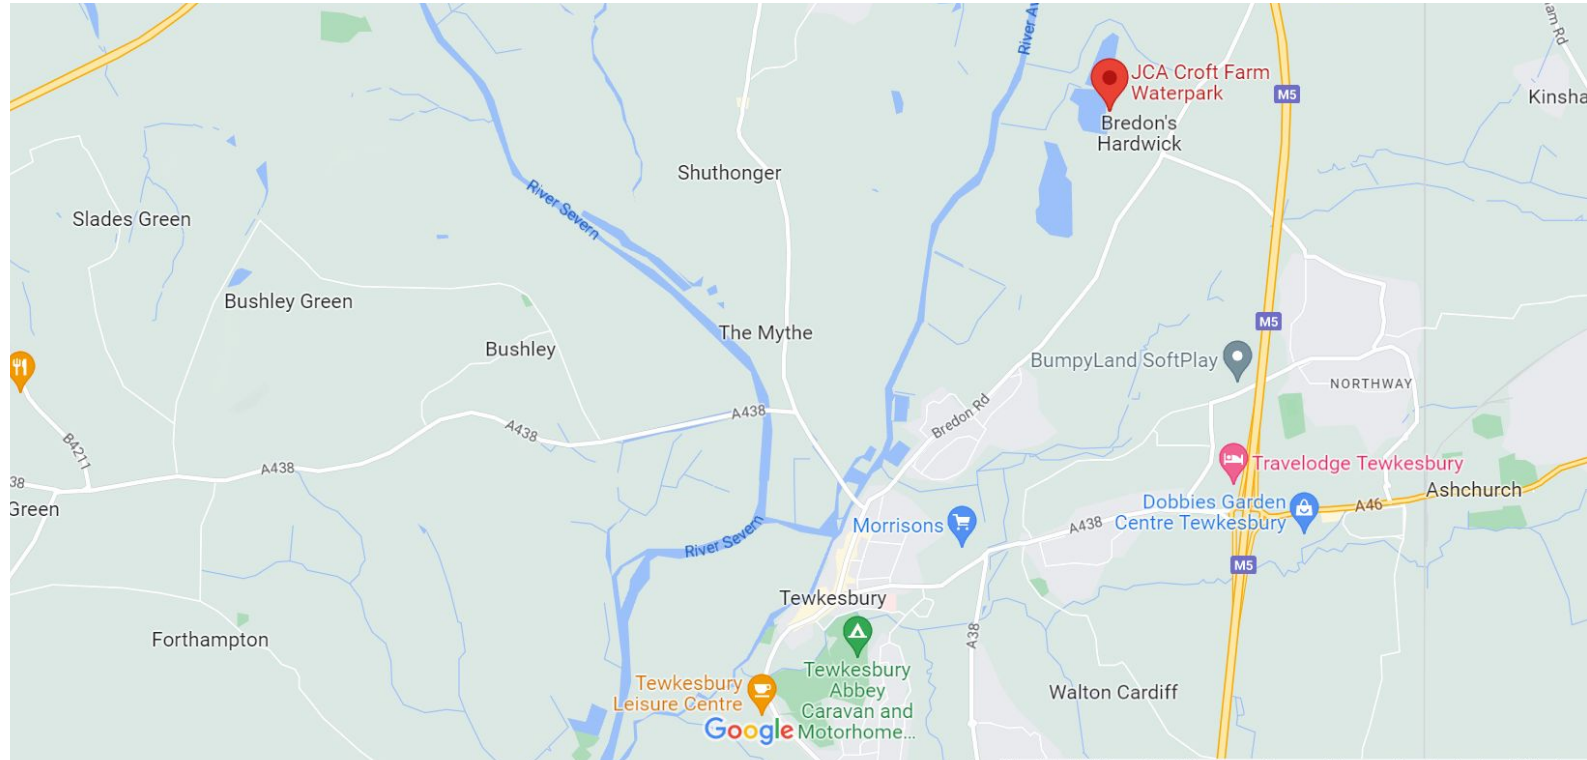

The idyllic setting, with a footpath meandering down to the river, provides groups with a range of options for outdoor activities on both land and water. Under the expert tuition of the Croft Farm team, children will get stuck in with a comprehensive range of water sports ranging from sailing, stand-up paddleboard, windsurfing, canoeing, kayaking and loads more! Using equipment specifically designed to support the junior market, children are in a strong position to develop their skills and confidence on the water quickly. The site also has an abundance of open space for an excellent selection of land-based activities.

The JCA staff were very welcoming, creating a friendly atmosphere. In fact, throughout our stay the JCA staff were so energetic with the children. From organising our visit beforehand to any activity aspect of our stay, we have been well looked after by everyone. We always enjoy visiting Croft Farm.
