April 7th 2024

Afternoon Everyone,

I hope you have had a lovely Easter and managed to take advantage of the little bit of dry weather we had! Our grounds maintenance team, who have still been unable to cut our grass and who keep a very close on the sky, assured me last week that the rain will ease by the end of the week! Fingers crossed.

Some update and reminders for you:

School opens again for the summer term tomorrow and for those registered, breakfast club and afternoon club start tomorrow at the usual times.

Nursery children start back on Tuesday, which allows time for our new rising 3 children to visit tomorrow.

Lost property will be outside Beanies on the table this week and anything left by Friday will go to charity.

Y5 start their cycling proficiency tomorrow. The children can put their bikes in the Y5/6 garden. The side door to the changing rooms will be open in the morning for access. Please ask the children to push their bikes around the paths on site and not to ride them.

We have not yet had the new **dinner menu** from Chartwells, so this week the kitchen will be serving week 3 of the Autumn/Winter menu which is still on the website.

Please can the children's **PE kit** be left in school. Classes do have allocated days for PE, but this can sometimes change at the last minute. Additional PE activities can also take place during the summer term when dry weather needs to be taken advantage of!

A reminder please to **Blue Badge holders** who access the school site at drop-off and collection, please ensure your engines are turned off when parked on site and if you are queuing wating for the barrier to be lifted. NCC have installed air pollution monitors on site, to ensure we can do all we can to keep air pollution as low as possible. (Blue Badge holder site access is 8.50am and 3.10pm)

Looking forward to seeing everyone tomorrow.

Kind regards,

Steve Rayer
Headteacher
