Dear Parents/Carers,

Hand and Face Hygiene

Further to last week's letter regarding the latest coronavirus advice from the government, I have been talking about (and demonstrating!) good hand and face hygiene in assembly this morning with the children. I used the 7 steps to handwashing graphic below, making sure we wash our hands properly.

I would be grateful if you too could to promote good hand and face hygiene with your children at home.

Our youngest children can be some of our most vulnerable with the spreading of AND catching of bacteria. Please be vigilant and sensible when your children are not very well and ensure they are symptom free before returning to school.

Many thanks for your continued cooperation.

Kind regards,

Steve Rayer
Headteacher
