March 16th 2020

Dear ,

Lettings 2020-21

Firstly, please accept my apologies for the lateness of this communication. We have been making some organisation changes in the school following a staffing restructure owing to financial pressures schools are experiencing.

The changes will not affect the letting of the 3G pitch.

What will change is the access to it. A new gate has been installed at the end of the 3G into the outer car park. From April 6th, this is the gate all lettings will use. A key fob will issued to each group to open the gate for access and turn on the flood lights. (The flood lights will automatically turn off after 65 minutes.) Car parking will be available in **OUTER CAR PARK ONLY** as the school gates will be closed at 4.30 each evening.

This will also mean that there will be no access to the main school building, i.e. toilets or changing rooms.

As a result of these few changes we have reduced the hire prices (please see attached). If you are not already, from 6.4 we will be invoicing all lettings bookings 4 weeks in advance, as there will be no staff to handle cash or cheque payments.

I hope these changes do not affect your use of the 3G – in fact we hope they will benefit you financially.

The 2020/21 hire agreement is attached for your signature and return. We will hold your current slots for you until 3.4.

Many thanks in anticipation of your continued support.

Kind regards,

Steve Rayer
