Dear Parents/Carers,

## **BLUE BADGE HOLDERS**

Please can you pass this letter onto anyone who may drop off or collect your children who has a blue badge.

Please can I remind blue badge holders who access the school site of arrangements in the mornings and/or the afternoons:

Access is at 8.50am and 3.10pm. Please do not arrive before these times. Queueing at the gate waiting for the barrier to open causes congestion and unsafe access for pedestrians and cars using the outer car park. With a bus being slightly late last week, there was a collision and damage to a car.

There have also been a number of near misses and congestion that has compromised safety as staff leave site, with blue badge holders using the staff car park. From tomorrow, this car park will not be available.

With the limited space we have on site – space however, we are very fortunate to have – please be patient, park considerately and please be respectful to site staff who are trying to keep everyone safe during these very busy times of the day.

Many thanks for your cooperation and understanding.

Kind regards,
