Headteacher/Pennaeth: **Mr. S Rayer**

1st May 2020

Dear Parents and Carers,

### Re: Distance Learning Parent Survey

Thank you for taking the time to respond to the survey and for the very positive and appreciative comments made. We have shared these with the staff.

The feedback comments were very useful and gave a range of responses depending on individual circumstances at home, However, we have focused on some common themes from the survey which we hope will help improve the distance learning experience.

In response to the survey and your feedback, the following will happen:

1. Over the next 2 weeks, you will receive a phone call from your class teacher, to find out how things are going. The teacher will make the call from school when they are on the school hub rota. Should your class teacher be self isolating or social distancing and be unable to make the call, a member of the leadership team will call.
2. A video message from your class teacher will be uploaded for the children onto the home learning link.

As many of you noted on your feedback, staff are exploring a range of different approaches to provide learning opportunities for the children. From last week, all teachers will have uploaded a recorded lesson or activity for your children to experience their teacher's voice.

Thank you again for your feedback and ongoing support during these unusual times. I hope you enjoy having the opportunity to chat to your child's class teacher and that you are keeping safe.

Kind regards,

**Mairi Dunn**  
Deputy Headteacher
