

Prynhawn Da / Good Afternoon

Would you be able to send a message through the parent channel you have to all parents, or if separate the ones that travel on school transport? The message to be sent is as follows:-

This is a message for all parents whose children travel on the Newport Transport or New Adventure Travel buses to and from the Afon Village.

From the afternoon of the 5th February 2025, no pupils will be able to depart the buses without an adult present to collect them, unless written correspondence is received confirming you are happy for your child/ren to walk home on their own.

Confirmation, can be sent to passenger.transport@newport.gov.uk or handed to the escort during the morning collection. You will need to confirm the name of your child/ren in the correspondence.

Kind Regards
Trafnidiaeth I Deithwyr/Passenger Transport
