Dear Parents/Carers,

I hope you are all well.

Children in Need

What a fantastic contribution everyone made this year. You raised £515.64!
Many thanks to you all.

Polite Request

A number of parents and children are jumping over the fence when coming onto the foundation phase yard. We have recently had children trying to climb over the fence at break times and seeing adults do it, they will think it's ok for them to do it too. Please can you use the path. Thank you.

Christmas Dinner

We have arranged Christmas dinner over a 3-day period so that all year groups will be able to have their lunch in the hall. It will be on the Tuesday, Wednesday and Thursday of the last week of term. There will be no hot dinners for year groups not allocated for Christmas lunch each of the days. Please can the children bring in a packed lunch on those days. More details will be sent out next week.

Face Covering

Many thanks to everyone wearing a face covering when coming onto the school site. Your understanding and cooperation is very much appreciated.

Positive Tests

As you may know we currently have 3-year groups and children who travel on a bus self-isolating at the moment. As a result staff are also self-isolating and with many other schools having to send contact groups home because of positive tests, this has also had an impact on the number of staff in school due to childcare arrangements. We are continuing to operate as normally as we can, but please be patient if, at times, things don't happen as quickly as they should do as many staff are covering absences.

Please could I ask that you let school know as soon as you have had the result of a test. If you have a test back during school hours, you can ring the school, but we will still need to have an email from you with the test result confirmation please. If you have test confirmation outside school hours, please email the address at the end of this letter.

Finally, a big shout out to all our staff and children who are self-isolating at this time. Well done to all those children who have been working hard with their daily tasks and producing fabulous work!

Take care everyone and have a good week – Advent is here - Christmas countdown is on!

Kind regards,

Steve Rayer
