**Mr Rayer's  
Message ...**

**PLEASE TAKE TIME TO  
READ THIS NEWSLETTER**

Welcome back! I hope you managed some family time and were able to dodge the rain over the half term break!

Last half term of the year and as usual it's a very busy one!

Some community things to bring to your attention.

I have been informed that a local resident's dog has caused some injuries to other animals. A reminder to ensure your children never approach to pat a dog without your and the owners permission. As we have seen previously outside the school gates, dogs can become very anxious if they are crowded unexpectedly by chil-

dren wanting to pat them. Please be vigilant.

To answer some of the social media chat regarding the outer car park, I was as surprised as many of you to see work being carried out to install EV chargers on Monday morning. The school knew nothing about this. The work is now currently

on hold until NCC decide how to proceed. I apologise for the inconvenience this is causing.

Lastly, please note that 1.9.25 is an INSET day.

Have a good last half term. Fingers crossed the weather improves!

Looking forward to seeing lots of you then!

## NSPCC's *Speak out. Stay safe.* programme

I am pleased to inform you that we are participating in the **NSPCC's *Speak out. Stay safe.* Programme** this term. *Speak out. Stay safe.* is a programme for children aged 5-11 which aims to help children understand abuse in all its forms and to recognise the signs of abuse. Children are taught to speak out if they are worried, either to a safe adult or Childline.

This child friendly programme is aligned with the curriculum and consists of age appropriate virtual assemblies and supporting classroom based activities which we have reviewed.

If you would like to know more about the *Speak out. Stay safe.* programme visit [www.nspcc.org.uk/speakout](http://www.nspcc.org.uk/speakout).

## WEBSITE

We are in the process of updating the information on our website. We have a whole load of very useful information on things like internet safety, managing behaviour, sleep, ASD etc, that we are organising into a more user friendly way.

A text will be sent once the updates are complete.

## RESILIENCE

As part of our whole school work on resilience we have a visiting performance that will be working with all the children in building resilience. We'll be providing a parent workshop in the autumn term.
