Headteacher/Pennaeth: **Mr. S Rayer**

January 13th 2021

Dear Parents/Carers,

I hope you are all well.

As I mentioned in last week's update we have been exploring live-streaming.

I am pleased to inform you that we have now ready to launch this next phase of our home learning provision. The document on the school website – On-Line Connection - details the arrangements.

Live-streaming will only be available to mainstream KS2 pupils in the first instance, as it is accessed via Google Classroom.

For your child to take part, you will need to complete the digital consent form that you can access through the link that is provided in the On-line Connection document. For the teachers to make timely arrangements for next week, please complete the consent form by noon Friday 15th January.

This is an exciting development with our provision and is new to us all. Please be patient as this is rolled out. I would welcome any feedback – please us the email below. My thanks goes to the hard work of the teachers who have taken a lot of time in setting this up and running many tests to make sure it is safe and it works!

I will send my usual weekly update at the end of the week.

Kind regards,

Steve Rayer
Headteacher
