

Literacy:

We will be writing character descriptions of ourselves to begin with and this will follow on to writing character descriptions based on characters from 'The Tunnel'.

We will also be exploring setting descriptions, learning how to write our own using appropriate and interesting vocabulary.

Welsh:

We will revise and consolidate vocabulary and language patterns we have already learned when talking about ourselves.

We will be introduced to the 'Pod Antur' pack that is used in Key Stage two and will begin by learning how to discuss what we like to do in the park.

Maths:

This term we will spend time revisiting and consolidating the skills practised in year two.

We will be exploring number facts and relationships, practising our calculations using written and mental strategies.

We will also explore place value: comparing and contrasting numbers and understanding the value of a digit.

Areas of Learning Experience:

Health and Wellbeing:

Over the next few weeks, our learning will have a Health and Wellbeing focus. We will:

Notice and communicate feelings

Pay attention to the feelings of others

Learn how to express our feelings

3BD and 3AC

ICT:

This term we will be learning to word process and use the KS2 MacBooks.

We will also be using Google Classroom to support learning.

Children will be given their own Google account logins and will be thinking about using some of the features that these provide. E.g. Google Slides & Google Docs.

R.E.:

Our RE unit for this term is Diwali and festivals of light. We will be reading traditional stories, looking at how these festivals are celebrated and their associated traditions and symbols.

Trips:

Unfortunately, there will be no trips planned until further notice.

P.E.:

Year 3 will look at expressing themselves through dance and a range of different movements. Children will explore changing shape, **changing direction, using a variety of jumps and varying rolling movements.**
