Dear Parents/Carers,

Further to my earlier text, I just wanted to confirm that the Nursery will be closed today on the grounds of health and safety owing to a very high level of staff absence today.

We have staff absence across the school and we have been covering many different areas of school operations both in-house and with agency staff. We have now run out of both and are unable to run the whole school safely.

I will update you with the situation later today. It is a very fluid situation as we are waiting for a number of staff's PCR results which to tend to come back fairly quickly.

I am very sorry for the inconvenience this has caused, particularly at short notice, but I hope you understand that the decision has been made with children's safety in mind.

Kind regards,
