School Lunch Menu Changes

The changes to the school meals menu, is part of our effort to align with the consultation of the Healthy Eating in Schools Regulations 2013, which is aimed at improving the nutritional quality of food served in Welsh schools. These guidelines encourage more fruit and vegetables, less sugars and salts and a reduction in processed foods, particularly processed meats and cheeses when used as the primary source of protein. It is expected that processed food should not be used in school meals more than twice a week.

Our priority remains the wellbeing of our pupils, and we are working hard to ensure that the new menu continues to offer a variety of tasty, balanced, and nutritious options. We're also committed to listening to feedback and reviewing the menus where possible but continuing to be compliant with the Healthy Eating in Schools Regulations 2013.

If your child has an Additional Learning Need (ALN), reasonable adjustments can be made to support their access to school meals. Further information on how to arrange this support is available by contacting your school directly

Anti Bullying Week

Last week was anti-bullying week. The theme this year was 'Power for Good' and in our lessons and assemblies last week we raised the profile of the topic and reminded children of the things they can do if they ever experience bullying.

Our school and cluster approved anti bullying policy is available by clicking [here](#) .Our relationships and behaviour policy is [here](#).

The aim of this short leaflet is for you to share with your child in an age appropriate way so that you can reinforce the anti bullying message at home. It is important that children feel safe and happy in school. No school can ever promise that bullying will not occur. We will, however, continue to have zero tolerance of bullying behaviour and will utilise our behaviour policy robustly and to the full where bullying occurs.

We are fortunate that we have very low levels of bullying behaviour but we are not complacent. We will continue to work in partnership with you and our pupil voice groups to discuss these important issues.

Please chat through this leaflet with your child and talk through our Anti Bullying charter. Bullying is not acceptable for any reason and will not be tolerated. There will be no outsiders in our school.

If you ever have any concerns or you think your child is being bullied you must speak to us at school.

Further information on anti-bullying week can be found [here](#)

Anti Bullying Charter

1. We will not tolerate bullying
2. Bullying will be dealt with seriously
3. When we report bullying, staff will listen to us
4. We have the right to travel to and from school without being bullied
5. We will not put others down
6. We will not judge others by appearance alone
7. We will accept others regardless of age, disability, gender, race, religion or belief, sexual orientation or whatever language we use
8. We are a TELLING school – bullying is too important not to report

What's it all about?

It's your right to be protected from bullying and bad behaviour.

Everyone should be treated fairly and no one should be treated differently because of the way they are or what they believe. It's against the law to do this (discrimination).

If you see others being bullied you should try to stop it by speaking out or telling someone.

You should respect others (including teachers and other staff) – remember we are all different.

What does bullying look like?

Bullying is:

behaviour that is **meant to hurt, frighten or upset** someone. If this behaviour **keeps happening** it could be seen as bullying.

Bullying is not:

- ⇒ **teasing** between you and your friends that goes wrong but **only happens once**
- ⇒ if you **fall out or argue** with your friend
- ⇒ **a fight that only happens once**
- ⇒ **a problem with a friendship** where one person doesn't want to be friends anymore.

Bullying can be:

- ⇒ **physical** – kicking, tripping up and shoving, spitting, hitting, punching, threats and damaging someone's things on purpose
- ⇒ **verbal** – name-calling, being teased, saying nasty/unkind things about how someone looks or acts
- ⇒ **indirect** – spreading rumours or talking about someone behind their backs
- ⇒ **online** – saying nasty things or sharing nasty pictures by mobile phone or on the internet
- ⇒ **written** – unkind notes, texts, messages, letters or graffiti.

These are just some examples. If you are worried, tell someone. They can help you understand if it is bad behaviour or bullying.

Bullying or bad behaviour?

In your school bad behaviour is when someone acts in a way that hurts or upsets others. If someone **keeps doing this bad behaviour on purpose** it could be bullying.

What can you do?

Things you **can do** if you are being bullied.

You can...ask them to STOP.

You can...tell them to go away.

You can...walk away and find different friends to play with.

You can...tell someone. Find an adult to tell or talk to a friend who can go and speak to an adult for you.

Things you **should not do** if you are being bullied.

Don't...think it is your fault.

Don't...do what they say.

Don't...get angry.

Don't...hit them.

Don't...behave badly back.

What to do if you see someone else being bullied

- ⇒ **Tell someone** or the bullying will keep happening – don't stay silent.
- ⇒ If it is safe to do so, **tell the bully to stop.**
- ⇒ **Don't ignore** the bullying.
- ⇒ **Don't join in.**
- ⇒ **Don't encourage the bully** – including liking or sharing things online.

What to tell an adult or friend

- ⇒ **What** happened.
- ⇒ **Where** it happened.
- ⇒ **How** many times it happened.
- ⇒ **Who** saw it happen.
- ⇒ **Who** was involved.
- ⇒ **How** it made you feel.

What Rogerstone will do..

Our school will take bullying very seriously and deal with it quickly to show bullying is not allowed.

Our school has a **school behaviour policy** in place – this is the law. A policy is a set of rules which everyone should follow. Our school's positive behaviour and relationships policy explains how our school will deal with bullying.

All the teachers and other staff in our school

will work together to:

- ⇒ make our school a place where you can feel safe, happy and ready to learn – that means no bullying allowed - there are NO OUTSIDERS at our school
- ⇒ help everyone, including you, to show respect to one another – NO OUTSIDERS
- ⇒ teach you everyone has the right to be who they are – there are NO OUTSIDERS

Support helpline

If you find it hard to talk to someone at school or at home you can contact MEIC at www.meiccymru.org or call them free on 080880 23456.

You can ask MEIC for advice and support about lots of things, including bullying.

Counselling

If bullying is making you feel really upset, you may be able to have counselling to help you deal with those feelings or a teacher or teaching assistant can help through ELSA.

If bullying does happen we will listen to your concerns and take action to stop the bullying. This is why it is important for you to tell an adult. If we don't know bullying is happening we can't help stop it.
