Re: Relationships and Sexuality Education

I am writing to let you know that the Relationships and Sexuality Education curriculum we are teaching has been updated following changes from Welsh Government.

The aim of these changes is to ensure pupils are supported *'to develop the knowledge, skills and values to understand how relationships and sexuality shape their own lives and the lives of others. Learners should be equipped and empowered to seek support on issues relating to RSE and to advocate for self and others.'*

The attached leaflet shares a little more detail about what the pupils will be learning at different stages in school.

Should you require more information or want to discuss this further, please contact your child's class teacher.

Regards,

Mairi Dunn
Deputy Headteacher
