Year 5 Safe Cycling

Dear Parents/Guardians,

The children in Year 5 will be taking part in a safe cycling programme week commencing:

Monday 9th March - 5AC

Monday 16th March - 5SC

The children will learn basic road safety elements, which include riding safely, signalling, moving into the correct part of the road and manoeuvring their bike. More information about the programme can be found in the link below.

The children will need to bring a suitably sized bike into school, along with a cycling helmet. Wearing a helmet is compulsory – your child will not be able to take part in the course if they do not wear one. Please note, your child will need to be able to ride a bike without stabilisers, confidently on tarmac in order to complete this course. The children's bikes will be kept securely within the school overnight. We will be having a conversation with the children about appropriate and sensible behaviour.

Newport City Council have suggested that it isn't safe for children to wear skirts, therefore please ensure your child either wears trousers or leggings. We would also recommend that your child wears sensible footwear, such as trainers.

Please click the link below to read more information from Newport City Council and to give consent for your child to take part. The deadline for the form to be completed is Friday 13th February.

[Rogerstone Primary National Standard Cycle Training – Fill out form](#)

We will send a text closer to the date about arrangements for delivering and collecting bikes.

If you have any queries regarding any of the above please do not hesitate to contact us. Thank you for your continued support.

Yours sincerely,

Year 5 Teachers
