Rogerstone Primary School Careers Afternoon

Dear Parents/Carers,

We will be hosting a careers afternoon on Wednesday 18th March 2026 from 13:15 - 15:00 for our upper KS2 children.

We are looking for volunteers who would be interested in attending and discussing their career path and jobs with the children.

It would be a fantastic opportunity for children to learn about different jobs, careers, roles and responsibilities that people have pursued.

Children will be encouraged to ask volunteers questions as they explore a range of different jobs that people within the community fulfill.

If you are interested in supporting the school with this exciting afternoon, please contact using the following email: year5@rogerstoneprimary.com by **Friday 30th January**.

Very best wishes.

Mr Campbell

Community Lead
