Dear Parents / Guardians of Y6 Pupils,

Re: Inappropriate and Offensive Language

I am sorry that I have to write to you about inappropriate and offensive language being used in school and on WhatsApp by some of our Y6 pupils. This consists of swearing and racially offensive language. Neither of these are acceptable.

I have spoken to all Y6 pupils about this today and has been very clear that it will not be tolerated.

Can I ask that you speak to your children about this and support us by reinforcing a very clear message that swearing, racially abusive or any other derogatory language is unacceptable – in school, at home, on group chats, outside school – ie anywhere.

If you would like to discuss this further, please do not hesitate to contact me.

Thank you for your support with this very important matter.

Kind regards

Mairi Dunn
Head of School
