Dear Parents/Guardians,

As you are aware, the children in Year 5 will be taking part in a safe cycling programme week commencing: **9th March (5AC) and 16th March (5SC)**

Please be aware that the second part of the course involves the children leaving the school on their bikes to learn how to ride on the road. There will be 2 qualified instructors. The children are snaked to the training site (one instructor at the front, and the other at the back). The children practise this method as part of the level 1 sessions on the playground so will know what to do when travelling to site. We will be discussing with the children sensible behaviour and would appreciate it if you could have this discussion at home too. Children who do not follow the instructions and rules will not be able to take part in the level 2 sessions outside the school grounds.

As previously stated, the children will need to bring a suitably sized bike into school, along with a cycling helmet. Wearing a helmet is compulsory – your child will not be able to take part in the course if they do not wear one. We would also recommend that your child wears sensible footwear, such as trainers for the week.

For 5AC, please could the children bring their bikes to school on **Monday 9th March** and collect them from school on **Thursday 12th March**.

For 5SC, please could the children bring their bikes to school on **Monday 16th March** and collect them from school on **Thursday 19th March**.

Please could you bring your child's bike to the side changing room door and through to the Y5/6 outdoor garden area. There will be signs to guide you.

Thank you for your continued support. Please email year5@rogerstoneprimary.com if you have any questions.

Yours sincerely,

Miss Courtney and Mr Campbell
