

Friday March 13th 2026

Dear Parents/Carers,

We will be supporting **Comic Relief on Friday 20th March.**

To support this year's Comic Relief campaign, our school will be taking part in a special day with the theme 'Red to Toe.'

On this day, learners are invited to come to school wearing their own clothes and are encouraged to wear as much red as possible to help raise awareness for Comic Relief and the important work the charity does. Children are also welcome to use red hair spray and face paint.

As a school, we have been focusing on our resilience journey and are currently working on our ability to cope with challenges that we face. During our Comic Relief activities, learners will be encouraged to reflect on the challenges they face and how they manage them. This will help them to think about others around the world who face difficulties daily and benefit from the support of Comic Relief, who we are raising awareness for.

We hope to inspire through the reflection of our journeys so far and recognise the fantastic impact we can have on ourselves and the people around us!

If you are able to donate and support the charity, a donation link will be sent via text next week.

Very best wishes.

S.Campbell
Community Lead
