Privacy Policy for Rogerstone Primary School PTA

Under data protection law, individuals have a right to be informed about how the PTA uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' to individuals where we are processing their personal data. This privacy notice explains how we collect, store and use personal data.

The personal data we hold

Personal data that we may collect, use and store:

- Contact information including email addresses and telephone numbers

Why we use this data

We use this data to:

- Contact individuals for support and help at school fundraising events
- Compile a list of attendees for school fundraising events

Our legal basis for using this data

We only collect and use personal data when the law allows us to. Most commonly, we process it where:

- We need it to perform a fundraising event in the school's interest
- We have obtained consent to use it in a certain way

Where we have obtained consent to use personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent and explain how consent can be withdrawn.

Some of the reasons listed above for collecting and using personal data overlap, and there may be several grounds which justify our use of this data.

Collecting this information

Information is provided voluntarily.

How we store this data

We keep all electronic personal information on a secure database for the whole academic year that it is collected in. At the end of each academic year all data will be deleted from the secure database. Any paper-based information will be stored securely and confidentially disposed of.

If you want a copy of the information we hold on you please email Rogerstonepta@outlook.com
