# A Message From Mrs Price:

Dear Parents and Carers,

I am delighted to introduce myself as the new Headteacher of Rogerstone Primary School. Over the past term, I've had the pleasure of visiting the school regularly, and I already know I am joining a truly special community. The children have been wonderfully polite, friendly, and full of energy, and it has been a to meet them. It is clear that Rogerstone is a school filled with enthusiasm, kindness, and a strong sense of pride.

I am very much looking forward to taking the time to meet all our wonderful families. Building strong relationships with our community is incredibly important to me, and I can't wait to work in partnership with you as we continue to help every child flourish.

I have worked across three local authorities and have been fortunate to hold a variety of leadership roles, including Headteacher. My passion lies in developing high-quality teaching and learning, ensuring that every child has the very best chance of success. I'm excited to bring some of my ideas and experiences to Rogerstone while also taking the time to understand what makes this school unique.

One area I am especially looking forward to is working with staff and pupils to reflect on our curriculum—ensuring it is authentic, meaningful, and firmly rooted in the needs of our Rogerstone children. Together, I hope we can continue building the skills, confidence, and resilience that will help our learners thrive in the future.

I can already see the deep commitment of the staff team, and I am excited to join them for the next part of Rogerstone's journey. Mr Rayer, Mr Taylor and Mrs Dunn have led the school with great care and dedication, and I hope to do them proud as we build on this amazing work.

Thank you in advance for the warm welcome I have already received. I look forward to meeting you all soon and working together to make Rogerstone an even brighter place for our children to grow and succeed.

Warmest wishes,

**Claire Price**

Headteacher, Rogerstone Primary School

# Resilience at Rogerstone!

The purpose of the poster is to support children in dealing with day to day problems and identifying where on the scale the problem would be. Children need to recognise that some problems are part of everyday life and through modelling, they can manage many of these difficulties on their own without the need to go to an adult.
