A Message From Mrs Price:

Dear Parents

I hope you have enjoyed the bank holiday and the little bit of sunshine. Last week I was able to meet more families through the events at Beansies and also through the parent forums. The discussions were very informative and positive with lots of ideas shared around communicating the life of the school at various times of the year. We will be sharing all your thoughts over the next few weeks and the small changes we are making as a result.

This week I will be talking to the children about kindness, even when it is hard to do. This will link with our themes around resilience and how we build it. I completed the Cardiff Hyrox over the bank holiday and will be sharing my own resilience journey with the children over the next couple of weeks.

Have a wonderful week

Mrs Price

Resilience at Rogerstone!

The purpose of the poster is to support children in dealing with day to day problems and identifying where on the scale the problem would be. Children need to recognise that some problems are part of everyday life and through modelling, they can manage many of these difficulties on their own without the need to go to an adult.
