

Year 3 - 6

Dear Parents and Carers,

Please find attached an information document regarding the School Health Research Network (SHRN).

During the school term, your child will have the opportunity to participate in an online survey conducted by SHRN. *SHRN aims to improve children and young people's health and well-being in Wales by working with schools to generate and use good quality evidence for health improvement.*

All responses provided during the survey are completely anonymous. Participation is entirely voluntary, if you prefer that your child does not take part in this online survey, please inform me via email by **Wednesday 30th September**.
