Competition from Apollo Teaching Services

Competition from Apollo Teaching Services
It's beginning to look a lot like Christmas, and we're excited to announce our Apollo Teaching Services Christmas Card Competition!
We'd love to invite the children at your school to get creative and design their very own Christmas card. Whether they go traditional, colourful, funny or completely outside the box, we want to see their festive creativity!
The closing date for entries is Tuesday 1st December, so please encourage the children to get involved and send their designs in before then.
And there's a fantastic prize up for grabs! The winning design will be professionally printed as a box of Christmas cards, which the winning child can give out to friends, family, teachers or whoever they like! They'll also receive a special prize as a little extra Christmas treat.
So, sharpen those pencils, get the glitter out and let's see who can sleigh the competition!
We'd really appreciate it if you could share the competition with the children in your school and encourage as many as possible to take part.
We can't wait to see their festive masterpieces!

Please send your entries direct to Jordan at Apollo
The e-mail address is jordan.harries@apolloteaching.com
